

This map shows the designated walking routes to and from the Presbyterian Church of Mountain View and El Camino Hospital.

Each shuttle will stop at El Camino Hospital’s main entrance, and will be wheelchair accessible, have bike racks and free Wi-Fi.

This schedule is for the Mountain View Transit Station Shuttle, a joint initiative between El Camino Hospital and Stanford Children’s Health/Lucile Packard Children’s Hospital. This free shuttle is also available to the community. The route serves:

- Mountain View Transit Station
- First Presbyterian Church of Mountain View
- El Camino Hospital in Mountain View
- Stanford Children’s Health new Sunnyvale facility

The following shuttle schedules are current through through June 2016. If you have any questions, please contact the El Camino Hospital Transportation Department at 650-940-7275 or email Heather Salem, Transportation Manager, at [heather\\_salem@elcaminohospital.org](mailto:heather_salem@elcaminohospital.org).

### How to use this schedule to get to work:

- 1 Find the times your shift begins and ends. There are separate columns for El Camino Hospital Mountain View (ECH) campus staff and Stanford Children’s Health/Lucile Packard Children’s Hospital (SCH/LPCH) staff.
- 2 The tables inside allow you to easily determine which shuttle you can take, depending on when your VTA Light Rail or Caltrain arrives at or departs from the Mountain View Transit Station. For more information on where specific trains stop visit [www.vta.org](http://www.vta.org) or [www.caltrain.com](http://www.caltrain.com).
- 3 Use your shift start and end times to determine the best times to catch the shuttles going to the First Presbyterian Church of Mountain View (1667 Miramonte Avenue, Mountain View) off-site parking lot or the Mountain View Transit Station (600 West Evelyn Avenue, Mountain View).
- 4 There are different time tables for the morning and evening shift start times.
- 5 If you need assistance determining which shuttle would work best for you, please contact Heather Salem at 650-940-7275 or [heather\\_salem@elcaminohospital.org](mailto:heather_salem@elcaminohospital.org).

### TRANSPORTATION PROGRAM

## INFORMATION AND SHUTTLE SCHEDULES

# Mountain View Transit Station (MVTs) Shuttle

El Camino Hospital is pleased to introduce a new shuttle service serving three routes Mondays through Fridays, excluding holidays, during the morning and afternoon commute hours. These serve each of our off-site parking lots and public transportation hubs, such as the Mountain View Transit Station, which serves as a hub for Caltrain and VTA Light Rail.
