

2017 Prepayment Policy

As of January 1st, 2017

This communication is to inform patients of our new payment policies for 2017. Our policy is to collect the full cost of treatment prior to the completion of the treatment cycle. We will provide a financial overview and price list to patients. A more detailed review is available upon request.

IVF cycle payment policy

- Initial \$5,000 prepayment for any IVF cycle where there is not 100% insurance coverage for services
- Second prepayment of \$5,000 for IVF 2 days prior to oocyte retrieval visit (approx. $\frac{1}{2}$ to $\frac{1}{3}$ of full amount due)
- Remaining balance due at time of embryo transfer visit or retrieval date
- For future cycles, any previous outstanding balances must be paid in full prior to beginning a new cycle

IUI cycle payment policy

- Initial \$500 payment for IUI cycles where there is not 100% insurance coverage for services
- Remaining balance due at time of IUI visit
- For future cycles, any previous outstanding balances must be paid in full prior to beginning a new cycle

International patient payment policy

- Once the treatment plan has been decided a full amount payment is due prior to the baseline visit.
- Any remaining balance from labs or additional visits is due in full on the date of Retrieval

Please address any questions regarding this policy to the clinic by emailing at fertility@stanfordchildrens.org.

Thank you,

Stanford Medicine Fertility and Reproductive Health
